

1. Create and Keep a copy of the Existing website version
2. Update footer bar options, add Policies links (make equivalent pages to the links shared in the table below)

Existing

Proposed Change:-

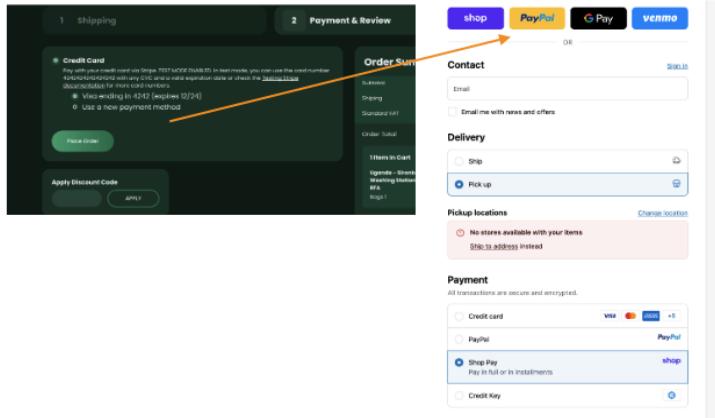

Menu	Policies	Contact
<p>(we already have these pages ,just add links to these options)</p> <p>Origins Contact Us Shipping Our Vision Articles</p> <p>Make Origins redirect to https://kaawa-coffee.com/origins/</p>	<p>(click these below links and make similar content page)</p> <p>Conditions of Use Privacy Policy Green Coffee Food Safety Taxes</p>	<p>update email info@kaawa-coffee.com</p>

3. Add payments to check out, all possible kinds

Add multiple payment methods and make them functional ie: - credit card, debit cards through woocommerce **Stripe** payment Gateway maybe. With like:-google pay, apple pay, venmo etc just like checkout page on <https://www.wholesaleorigin.com/checkouts/cn/hWN3MgAB6KDD1Sx7yrV6FNI2/en-us>

I have a paypal account active, you can add this too

Get options we can easily implement

Express checkout

shop

PayPal

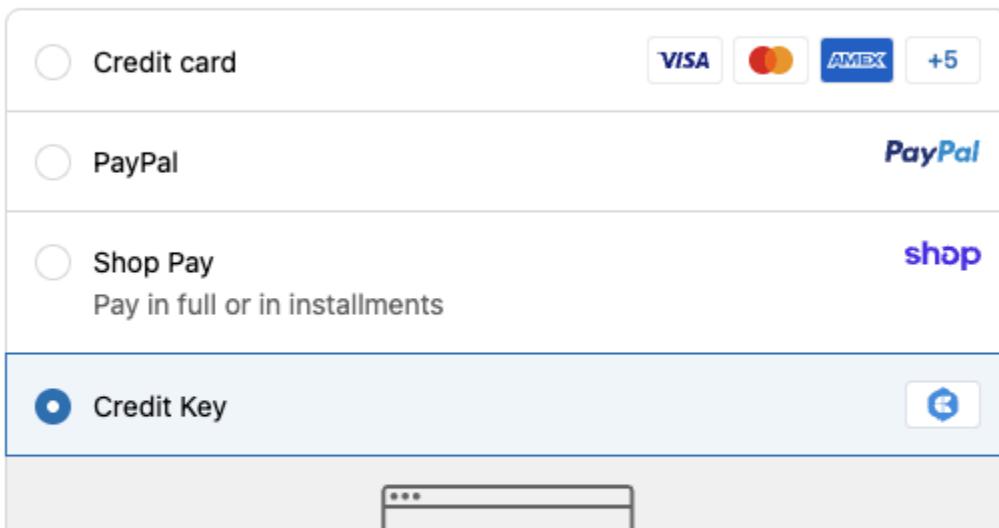

G Pay

venmo

OR

Payment

All transactions are secure and encrypted.

Add placed order confirmation email (probably already setup, but please confirm we have it)

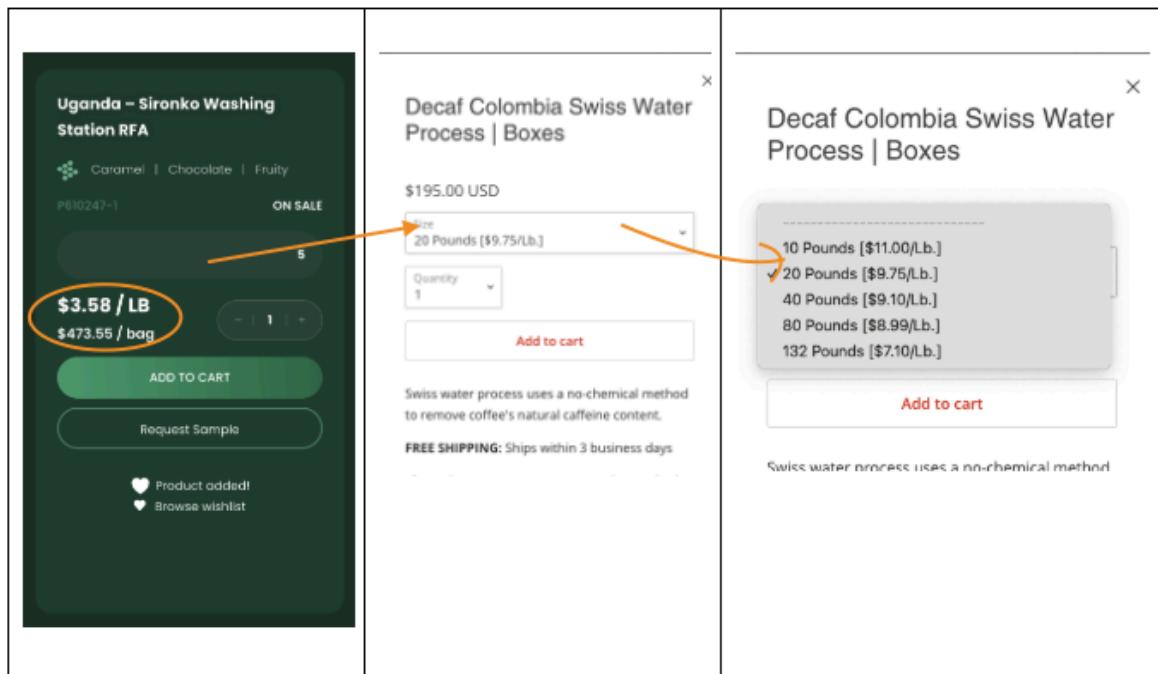

4. Add a dropdown on product pods to add box options:- use wholesale origin “Quick Shop” page for reference :- <https://www.wholesaleorigin.com/collections/green-coffee-beans-by-the-box>,

Do it for **10lb, 25lb, and 50lb**

Remove the circled part, move the quantity button to the left. (**Look at Screenshots below**)

Note:- When quantity and dropdown are selected, the order Total cost above them re-calculates

Update the checkout Calculations too

Set up the same **drop down** on the **product page** like sweetmaria pages , or as above
<https://www.sweetmarias.com/kenya-embu-kathakwa-peaberry-8301.html>

<https://kaawa-coffee.com/product/uganda-rfa-sironko-washing-station/>

- Take up the same behaviour on this page, where if the dropdown is selected, **and the quantity, the order Total re-calculates**
- Remove "Bag Weight", "Status", and Bag count. Instead add availability, weight, quantity just like the sweetmaria website.

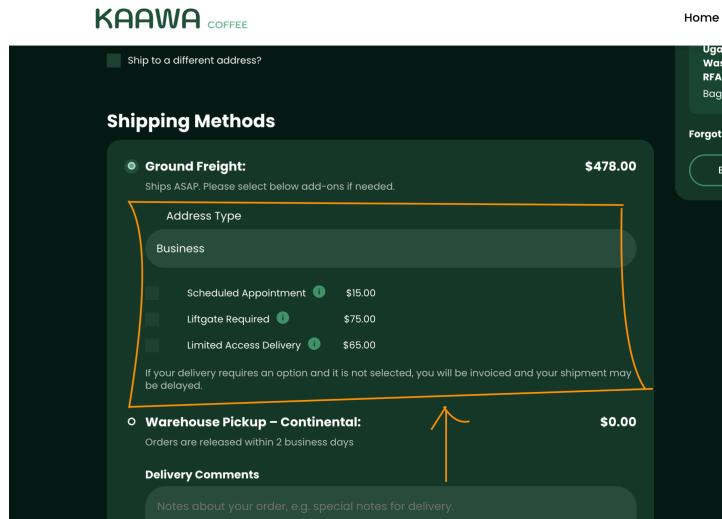

The Product Page Right side should look like a **big product pod** similar to the smaller product pods we have on the home page. Look below:-

It Should be blurred and not able to select if the product is **sold out**

(keep scrolling)

5. Clean up the check out.

Remove the entire **Shipping Methods** Section and push the “**Next**” button upwards

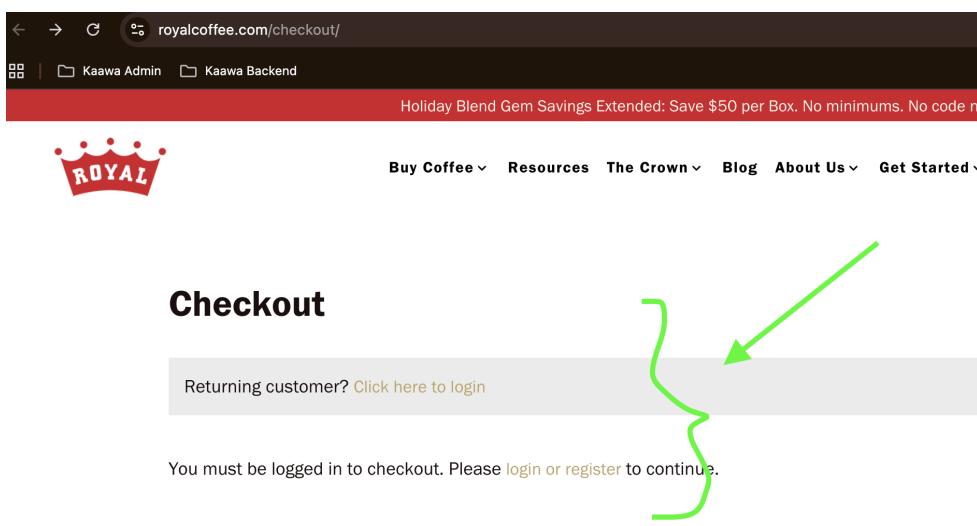

6. Add the “you must be logged in to check out” feature like <https://royalconfidential.com/checkout/>

Allow the user to browse products add to cart, view cart etc But when they click “**proceed to checkout**”:-

- Take them to this page and add this message at the top:-

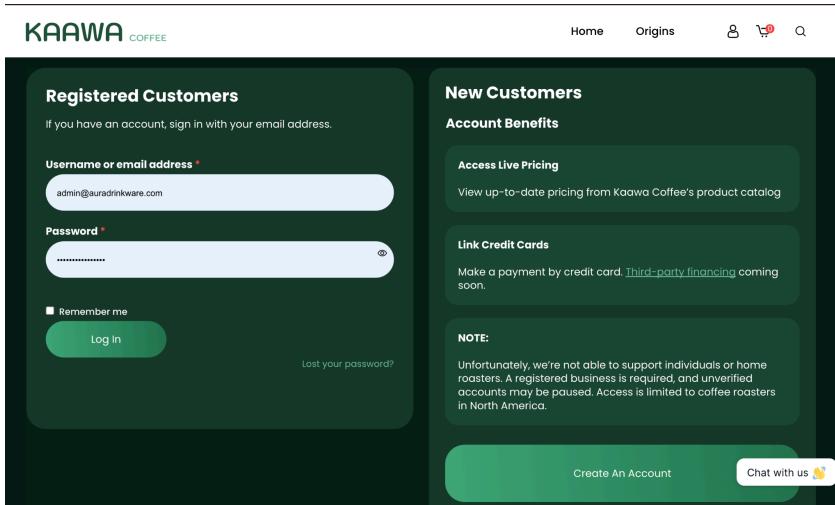

“**Returning customer? Click here to login**”

“**You must be logged in to checkout. Please login or create an account to continue.**”

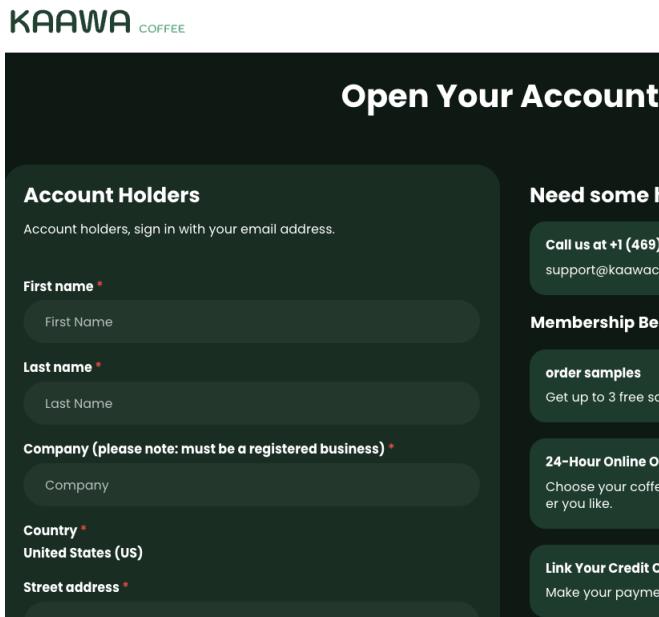

Then either take them to **log in** page or **sign up/create an account** page:

log in page

The log in page for KAAWA COFFEE. It features a dark green header with the KAAWA COFFEE logo. Below the header, there are two main sections: 'Registered Customers' on the left and 'New Customers' on the right. The 'Registered Customers' section contains fields for 'Username or email address' (with a placeholder 'admin@auradrinkware.com') and 'Password' (with a placeholder '*****'). There is also a 'Remember me' checkbox and a 'Log in' button. Below the 'Log in' button is a link 'Lost your password?'. The 'New Customers' section is titled 'Account Benefits' and includes three boxes: 'Access Live Pricing' (describing up-to-date pricing from the product catalog), 'Link Credit Cards' (describing payment by credit card, with a note about third-party financing coming soon), and a 'NOTE' box (warning that individuals or home roasters are not supported, and access is limited to coffee roasters in North America). At the bottom of the page are 'Create An Account' and 'Chat with us' buttons.

create an account page

The create an account page for KAAWA COFFEE. The header features the KAAWA COFFEE logo and the title 'Open Your Account' in large white text. The page is divided into two main sections: 'Account Holders' on the left and 'Need some help?' on the right. The 'Account Holders' section contains fields for 'First name' (placeholder 'First Name'), 'Last name' (placeholder 'Last Name'), 'Company (please note: must be a registered business)' (placeholder 'Company'), 'Country' (selected 'United States (US)'), and 'Street address' (placeholder 'Street address'). The 'Need some help?' section contains four boxes: 'Call us at +1 (469) 321-1234' (with an email link 'support@kaawaco.com'), 'order samples' (describing free samples), '24-Hour Online Order Center' (describing online ordering), and 'Link Your Credit Card' (describing payment processing).

(keep scrolling)

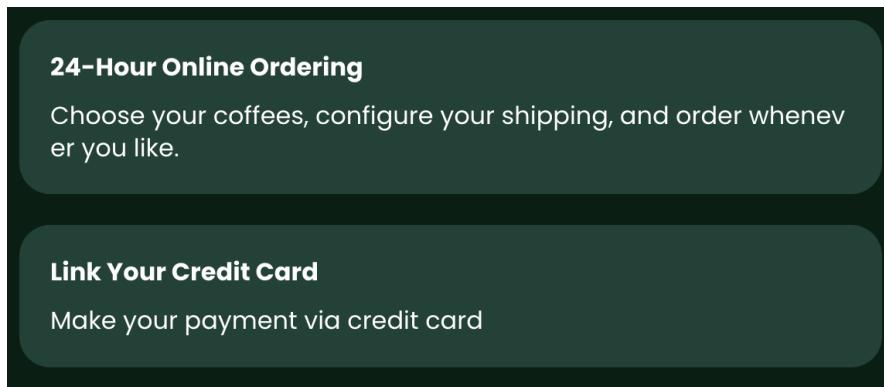

7. Change wording on account opening page as necessary on

https://kaawa-coffee.com/my-account/?redirect_to=https%3A%2F%2Fkaawa-coffee.com%2F

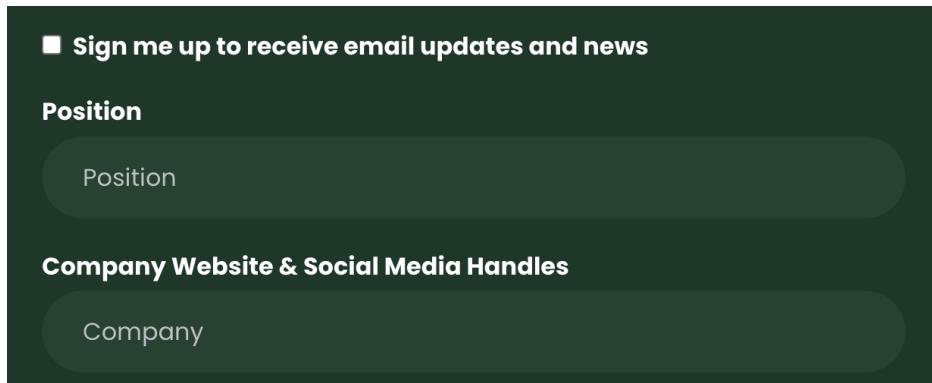

and

<https://kaawa-coffee.com/create-an-account/>

Only keep these 2 options for **membership benefits** for the above two pages:-

Remove this part from the form <https://kaawa-coffee.com/create-an-account/>

Change “**Company (please note: must be a registered business) ****” to “**Company (Optional)**”

Remove the “**Sign me up to receive email updates and news**” option

8. Fix **mobile** CSS padding for “Sample Roasting: A ..” section edges on the **product page**.

Also make the “Download the Guide” functional. Such that a PDF document can be uploaded by me and downloaded by the Client.

9. Update shipping page

<https://kaawa-coffee.com/shipping/>

Replace content on this page with:- The description of Boxed coffee shipping from <https://www.wholesaleorigin.com/pages/shipping> But Keep good CSS just like the existing page

Also add this Shipping Logic at checkout calculations.

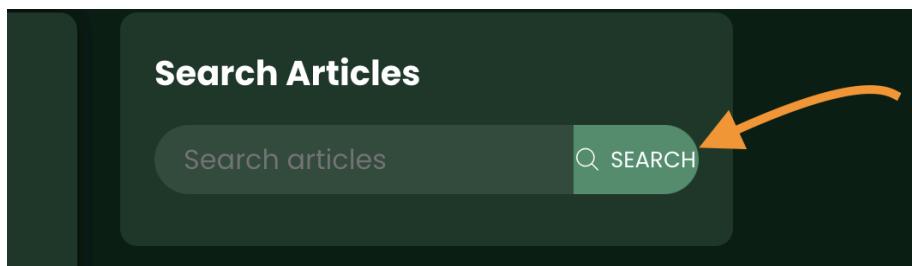

Add a Checkout Taxes Plugin:-

<https://taxcloud.com/blog/best-sales-tax-plugins-for-woocommerce/#:~:text=TaxJar%20for%20WooCommerce,tax%20compliance%20in%20the%20U.S.>

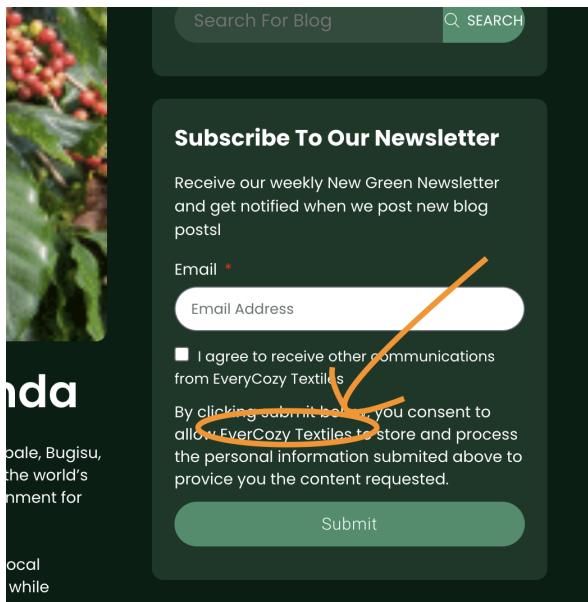

The product is green coffee beans

10. Fix Button CSS and padding

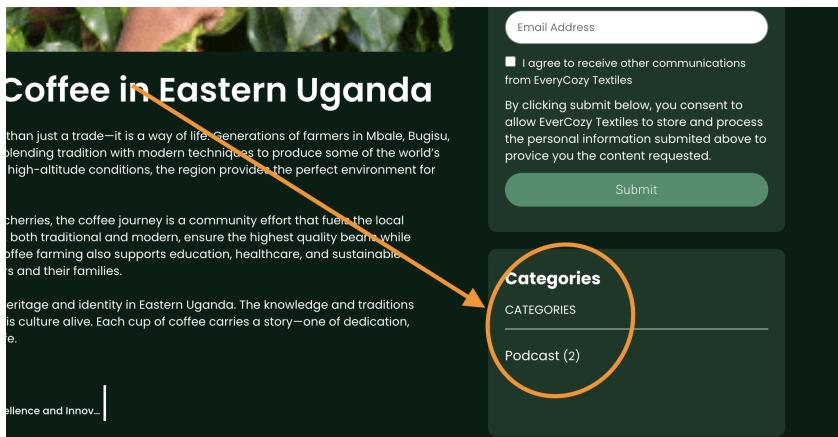

<https://kaawa-coffee.com/articles/>

Word should be Kaawa Coffee

Remove this **Categories** section, it shows up when an article is clicked/on the article page

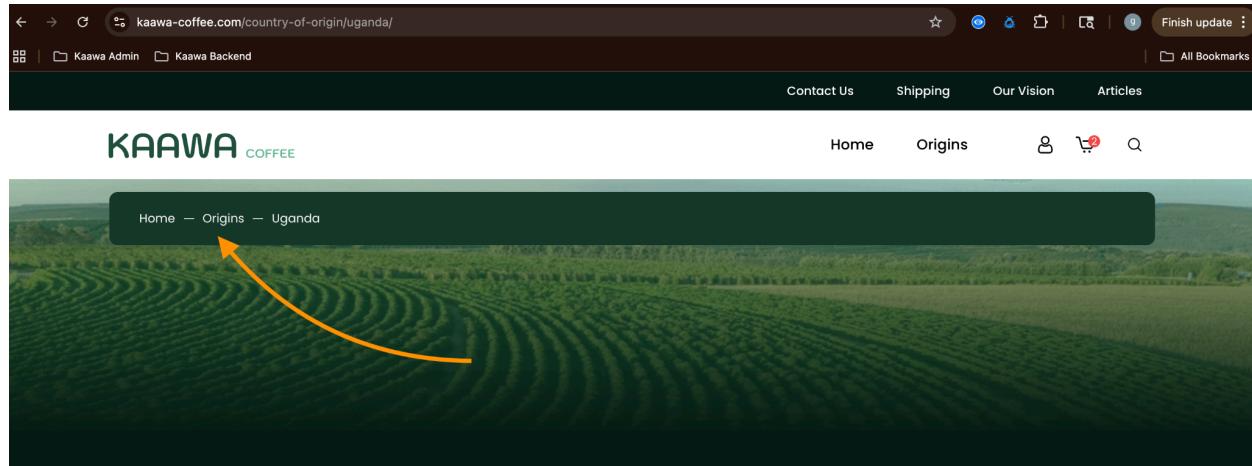

11. Make Origins active when clicked, if country is chosen from dropdown

Make it redirect to <https://kaawa-coffee.com/origins/>

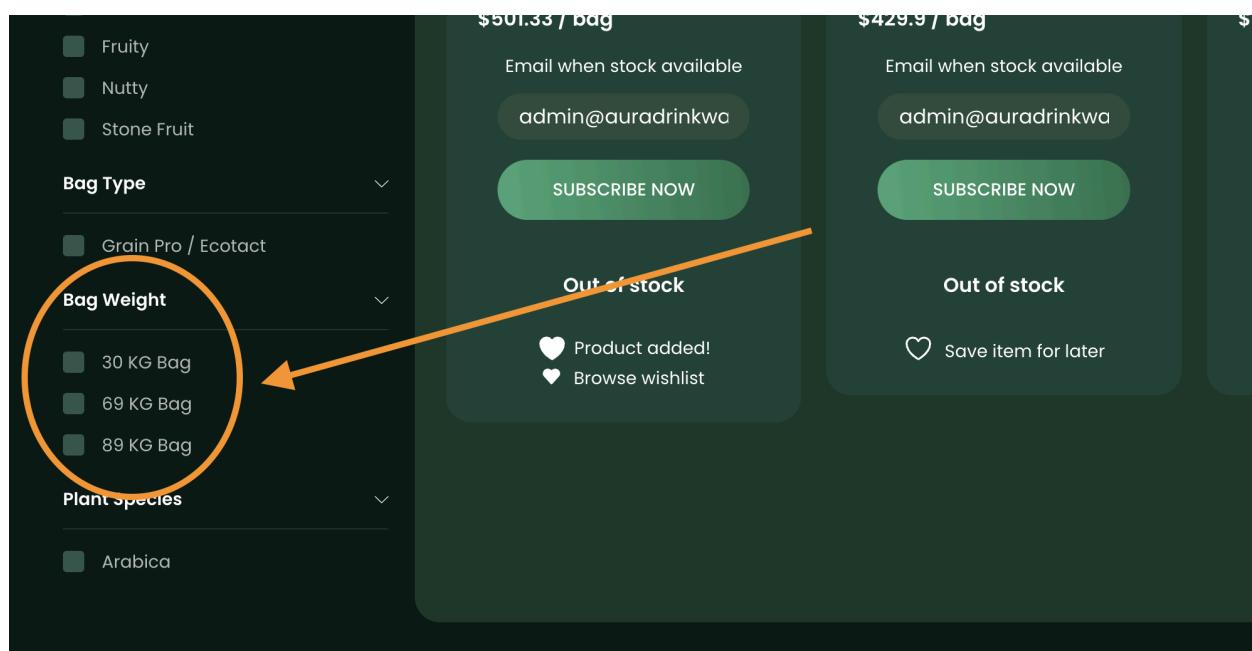

Also make “**View All Products**” in dropdown redirect to the same Origins link

Also make the “Shop Now” button on the Home page to redirect to the same Origins link

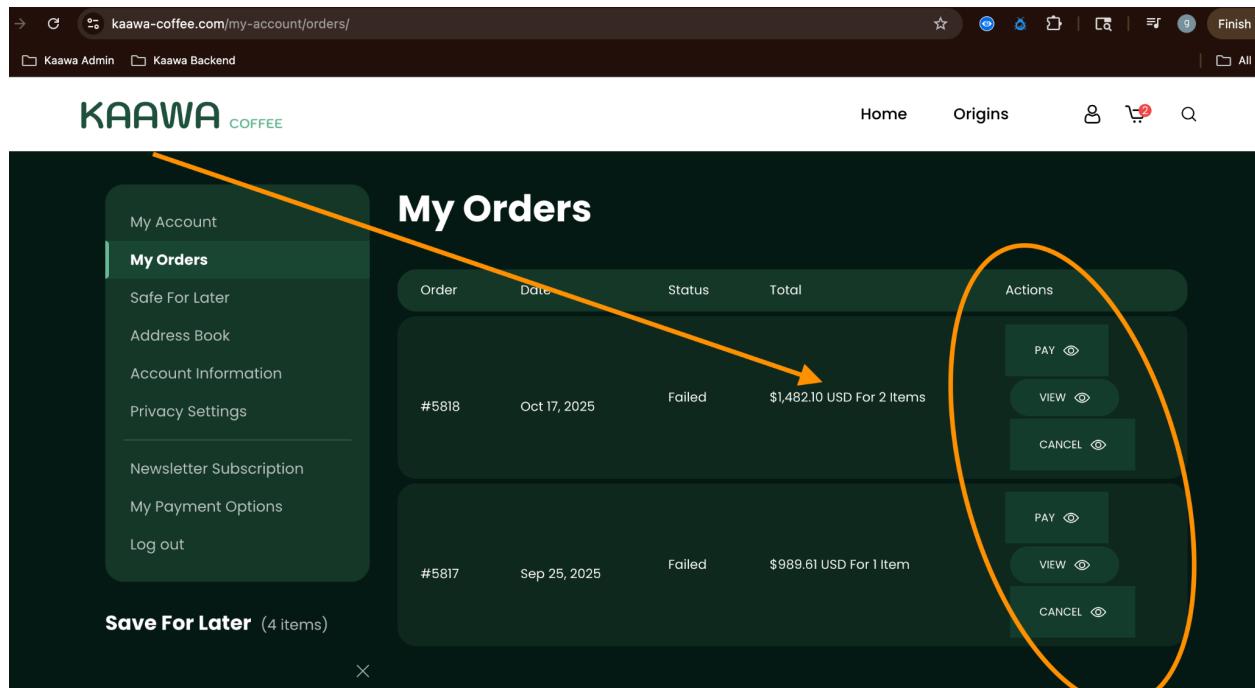

12. Change “**Wholesale Pallet Pricing**” on Home page to “**Box Coffee Pricing**”

13. Delete/Remove the “**Bag Weight**” in the filter sections

14. Fix the CSS on “My Orders” Page (the circled section) and the records

The screenshot shows the 'My Orders' page of the Kaawa Coffee website. The page has a dark green header with the 'KAAWA COFFEE' logo and a navigation bar with 'Home', 'Origins', a user icon, a shopping cart icon with a '2' (indicating two items), and a search icon. The main content area has a dark green background with white text. On the left, a sidebar titled 'My Account' lists 'My Orders', 'Safe For Later', 'Address Book', 'Account Information', 'Privacy Settings', 'Newsletter Subscription', 'My Payment Options', and 'Log out'. Below this is a 'Save For Later' section with '(4 items)'. The main area is titled 'My Orders' and displays two failed orders in a table format. The table columns are 'Order', 'Date', 'Status', and 'Total'. The first order is for #5818 on Oct 17, 2025, with a status of 'Failed' and a total of '\$1,482.10 USD For 2 Items'. The second order is for #5817 on Sep 25, 2025, with a status of 'Failed' and a total of '\$989.61 USD For 1 Item'. To the right of each order row is an 'Actions' column containing three buttons: 'PAY', 'VIEW', and 'CANCEL'. A yellow arrow points from the 'My Account' sidebar to the total amount of the first order. An orange circle highlights the 'Actions' column for the first order.

Order	Date	Status	Total
#5818	Oct 17, 2025	Failed	\$1,482.10 USD For 2 Items
#5817	Sep 25, 2025	Failed	\$989.61 USD For 1 Item

** Make sure the follow up order emails are working:-,

- confirm order,
- give tracking details etc
